

Available in LED

469 MERIDIA

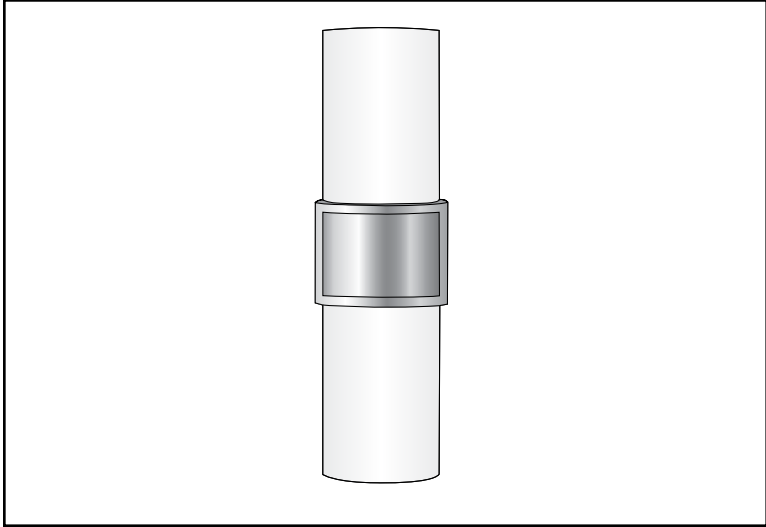

With two luminous half cylinders jetting from the center body, this luminaire makes a strong visual impact. The luminous shields sit slightly off from the wall creating a floating appearance, adding to the mystery of the fixture.

469 MERIDIA

Available in LED

TYPE

PROJECT: _____

LOCATION: _____

FEATURES

- An intriguing luminaire that is perfect for hallways and vanities.
- Proper positioning of the lamp source allows the lens to be uniformly illuminated.
- A simplistic design allows the luminaire to be very efficient allowing the majority of light to reach the desired surface.
- Lens sits away from the wall by 5/8", providing a floating appearance.
- Electronic multi-volt (120/277) ballast is standard.
- Meets all ADA requirements.
- Manufactured in the U.S.A.
- **Can be mounted vertically or horizontally.**

DIMENSIONS

MC = Mounting Center
A 4" octagonal junction box should be used for installation.
