LED

TYPE

PROJECT: _____

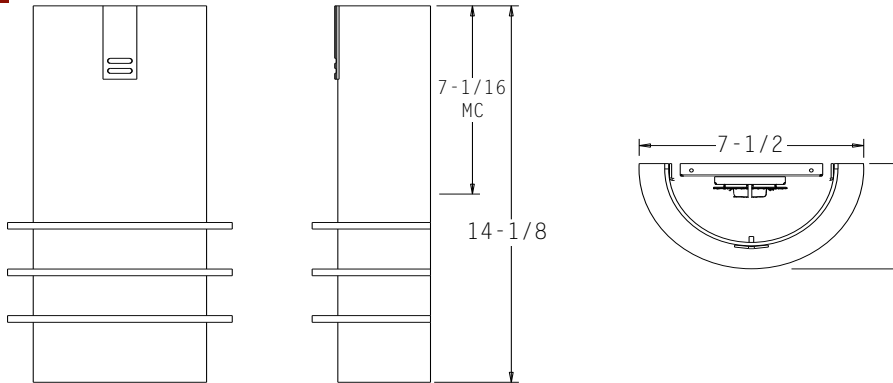

LOCATION: _____

FEATURES

- Thick, symmetrical blades set this fixture apart from other cylindrical fixtures.
- Unique “skeleton” electrical system allows blades and lens to be attached with no visible fasteners.
- A variety of lamp options available for varying illumination requirements.
- Standard 0-10V dimming driver.
- Meets all ADA requirements.
- Manufactured in the U.S.A.

DIMENSIONS

MC = Mounting Center

A 4" octagonal junction box should be used for installation.
